### The SUV Community Advisor Staff

Community Advisors (CAs) are students who live within the SUV community and available to assist you in answering questions, providing resources, and helping with any concerns you may have. Each Community Advisor (CA) has a specific area of SUV they are responsible for but any of them can help. You can reach the CA on duty each evening after 5:00pm at 515-290-2460. Feel free to drop by any of their apartments to say hello- they would love to meet you!

EVENTS

WELCOME BACK EVENT

Your SUV Community Advisor Staff is currently planning a great welcome back event! You won’t be disappointed that you were present! This is also a great time to come out and meet some of your new neighbors. Keep an eye out for the email or on our Facebook page for more details. Looking forward to seeing you there!!!

CLUBFEST – Clubfest is an opportunity for students to browse through over 2510 clubs and organizations to find out how to get involved on campus! This year’s event will be held in the Memorial Union on Wednesday, September 3rd from 11:00am- 4:00pm.

ISU AFTER DARK- The First event is August 29th at the MU. It will be lots of fun 😊

CYCLONE CINEMA- Free Movie! Showing Captain America August 28th-31 in Carver 101.

Bulletin Board - Each month in the SUV Laundromat and computer lab, the Community Advisor staff creates, displays and posts informational and fun bulletin boards for the residents of the SUV community. Be sure to drop by and check it out!!

POLICY REMINDERS – NO SMOKING

Smoking is not allowed on the SUV grounds or inside apartments, including patios. You can read more about our smoke free campus online at http://www.ehs.iastate.edu/cms/default.asp?action=article&ID=436. Thank you for your cooperation.

NOISE AT SUV- Some suggestions on how noise problems can be dealt with in a friendly manner in our community: MEET YOUR NEIGHBORS!!! It is much easier to talk to someone about a problem if you know their name and if you have contact with them before. When you do have noise concerns, politely call your neighbors or stop by to ask that the levels are reduced to an agreed upon level. Once you have talked with your neighbor and still need more suggestions or assistance, please contact your Community Advisor. We’re here to help!
**PET POOP POLLUTES**
If you are a pet owner in SUV, please remember to pick up after your pet to do your part to protect the quality of our community and environment! Please be sure that pet waste is picked up immediately and that it finds its way to a proper disposal area. An additional reminder—the playground attached to the University Childcare Center is not an area where residents and their pets are allowed. If you are found in that area you will be asked to leave immediately. Thank you for your cooperation!

**WHERE DOES MY TRASH GO?**
We ask that all resident's help in keeping SUV beautiful! Pick up trash, make sure your own trash makes it into the dumpsters or even better yet participate in the RECYCLING program. **Trash should NOT be placed on the ground next to dumpsters**—this creates an eye sore and mess for our community. Together we can keep SUV looking nice!

**SCHOOL IS BACK IN SESSION!**
This means that many of our youngest SUV residents are out in the community, walking to and from bus stops as they arrive and depart from school. Please SLOW DOWN when you are driving through SUV. This is for the safety of our residents.

**PATIOS**
All UV residents are responsible for the inside area of their patio. This includes keeping it picked up and removal of any weeds. Small flower and vegetable plants are allowed inside the area—please ensure they do not extend outside the fenced-in patio area.

**SERVICES:**
**NEED ASSISTANCE?**
The SUV staff is just a phone call away. The SUV office is open Monday-Friday from 8:00 am-5:00 pm or by calling 294-5360. After hours you can reach the Community Advisor on call at (515) 294-2460.

**YOU DESERVE A NICE APARTMENT!**
Need something fixed? Have a maintenance need in your apartment? Don't hesitate to let us know! Please log your requests online at http://www.resservice.iastate.edu or call us at: (515) 294-3322

**PARKING REMINDERS**
Parking is available for SUV residents around the community and near the apartment buildings. Permits are required and you should contact the Parking Division (located in the Armory) to obtain the proper permit for your car. Please encourage your visitors to utilize the stalls indicated for visitors throughout the community. These are designated in the different areas. A resident can also pick up a permit in advance for any visitor (who is not an ISU student) by providing the driver's name, license plate, color of car and phone number. The visitor permit is valid for up to three consecutive days. Should you have questions related to parking please contact: 294-3388 or parking@iastate.edu and they will be happy to assist you.
RECYCLING
Did you know about the recycling center within the Laundromat? Instead of throwing away recyclable items such as plastic bottles and containers, food boxes, pizza box lids, old paper scraps, glass jars and pop cans, why not bring them on your next trip to the Laundromat? PLEASE make sure that recyclables are getting rinsed out and placed in the yellow dumpster located outside in the parking lot of the Laundromat. Passionate about volunteering or love to recycle? The recycling lead is looking for some volunteers to help out with the recycling center for a week at a time over the semester, and would love anyone’s help. It’s a great way to help out the SUV community and make some friends. Send an email to apchavez@iastate.edu to sign up. Thank you!

LAUNDRY
You can check your laundry status online!! Go to: www.laundryalert.com. Enter the password: 7983. Take care when using our laundry space and don’t forget to pick up after yourself. A great reminder is that dryer sheets go in the garbage-not left in the dryer, stuck on your socks, stuck on other people’s clothes or left on the floor!!

SUVCC ACCESS
SUVCC residents have 24-7 access to the SUV Community Center and Computer Lab. The community center is a great place to study in! Your ISU card will get you into the space after hours and the computer lab. If your card is not working please stop by the SUV office and bring your card with you. We will take some information off if it and get it programmed for you.

HAVE A GREAT SCHOOL YEAR
The SUV staff would like to welcome you back to another school year. We anticipate it to be a wonderful school year here at SUV! If you have any questions or concerns please do not hesitate to contact your Community Advisor. We are also hoping to see you at some of our community events! Until next time have a wonderful September and keep an open eye for the October issue of the SUV Voice.
