Welcome back Ice crème social

The community welcome back Ice crème social was a blast! A special thank you goes out to all residents that were able to attend. If you wish to see more pictures of our ice crème social please feel free to visit our Facebook page.

Upcoming program/event
The SUV community advisor staff is currently preparing a Halloween event. Check your email and our Facebook page for more information.
EVENTS

**Free English Classes**
Calvary United Methodist Church, 1403 24th Street, Ames IA, is offering conversational English classes starting Wednesday, September 17th from 11:30am-12:30 pm.
All SUV residents that may benefit from these classes are encouraged to attend. Also being offered is value-packed parenting class on Sunday mornings, 10:30am-11:30am at Calvary church

**Soccer:** Friday, Oct 17th @1:00pm @ Cyclone Sports Complex. Iowa State vs. West Virginia. Cost: Free.

**ISU AFTER DARK** - The next After Dark event is November 7th. Mark your calendars well in advance 😊

**Bulletin Board** - Each month in the SUV Laundromat and computer lab, the Community Advisor staff creates, displays and posts informational and fun bulletin boards for the residents of the SUV community. Be sure to drop by and check it out!!

**POLICY REMINDERS** - **NO SMOKING**

*Smoking is not allowed on the SUV grounds.*
Smoking is not allowed anywhere in SUV.
You can read more about our smoke free campus online at [http://www.ehs.iastate.edu/cms/default.asp?action=article&ID=436](http://www.ehs.iastate.edu/cms/default.asp?action=article&ID=436). Thank you for your cooperation.

**NOISE AT SUV** - Some suggestions on how noise problems can be dealt with in a friendly manner in our community: MEET YOUR NEIGHBORS!!! It is much easier to talk to someone about a problem if you know their name and if you have contact with them before. When you do have noise concerns, politely call your neighbors or stop by to ask that the levels are reduced to an agreed upon level. Once you have talked with your neighbor and still need more suggestions or assistance, please contact your Community Advisor. We’re here to help!
PET POOP POLLUTES

If you are a pet owner in SUV, remember to pick up after your pet to do your part to protect the quality of our community and environment! Be sure that pet waste is picked up immediately and that it finds its ways to a proper disposal area. An additional reminder-the playground attached to the University Childcare Center is not an area where residents and their pets are allowed. If you are found in that area you will asked to leave immediately. Thank you for your cooperation!

WHERE DOES MY TRASH GO?

We ask that all resident’s help in keeping SUV beautiful! Pick up trash, make sure your own trash makes it into the dumpsters or even better yet participate in the RECYCLING program. Trash should NOT be placed on the ground next to dumpsters-this creates an eyesore and mess for our community. Together we can keep SUV looking nice!

Meet your Community Advisor!

This month the SUV Community Advisors made an effort to meet you! They were all very happy to meet everyone in their community. If you haven’t had the opportunity to interact with your community Advisor, I would highly encourage you to meet them. Who is my CA?

SERVICES:

NEED ASSISTANCE?
The SUV staff is just a phone call away. The SUV office is open Monday-Friday from 8:00am-5:00pm or by calling 294-5360. After hours you can reach the Community Advisor on call at (515) 294-2460.

Community Manager: Susan Lammers 525-294-8189
Graduate Community Manager: Neo Thurston 515-294-1221

RESIDENT SPOTLIGHT

Anna A. Prisacari

Where are you from and what year are you? Originally from Moldova, I am a fifth year- doctoral student in the Human Computer Interaction Program.

What activities are you involved in on campus and in the community?

Besides being a student, I enjoy teaching a variety of courses and serving in multiple leadership roles. I served as the president of the Graduate and Professional Student Senate. In 2014 I was nominated by provost Wickert and Dr Holger to receive 2014 women impacting ISU award for my initiative to establish the first graduate Orientation in 2013.

What made you choose SUV and what is your favorite part of living here?

SUV has been my home for several years. The thing I like most about SUV is the people who live and work here. (See birthday Message below)
Anna's Birthday Message

Today I am celebrating my 30th birthday! When I was a child I never wished for birthday gifts, but always received something that I truly liked—books. Today I want to do the same, but for other children. With your help, I would like to send 30 new books to a public library in a small rural area in Iowa. This way, other children who have limited access to books can meet your favorite characters and learn something new. After all, the more you read, the more you know. If you would like to contribute to my dream, here is what I ask you to do by December 31st.

Buy your favorite children’s book. If you are non-American, I encourage you to buy a book from your culture that was translated and printed in English.

Send the book to my campus mail address (Anna Prisacari, Gilman Hall). If you want, you can write a short message inside the cover of the book addressing children who will read the book. Thank you!!!!!!

LAUNDRY

You can check your laundry status online! Go to: www.laundryalert.com. Enter the password: isulaundry

Never be late again! Use laundry alert online monitoring to check for machine availability and alert you when your wash and/or dry cycle is complete.

Placing belongings in apartment building hallway

Reminder: It is a policy violation and a fire hazard for residents to store any personal belongings in the hallways of apartment buildings. If you have items stored in the hallway of your building you are asked to have the items removed.

Do you see something or know someone in SUV that should be published?

There are great things and extraordinary people here in the SUV community. If you know of something or someone that would make a great story please tell your Community Advisor. Or you can contact the SUV Voice editor directly at resh_neot@iastate.edu/515-294-1221 and maybe have your story published! Let's all be excited for each other and celebrate when one of our community members has an accomplishment. That is what we are all about here in SUV. One big family. Happy October!
